ADDRESS YOUR REPLY TO THE REGISTRAR LAND REGISTRY OFFICE EDMONTON

JAN 31 1910

Secretary,
Department of the Interior,
Ottawa, Ont.

Sir:-

Herewith I beg to return you patent issued in the name of Nicholas D. Beck covering the N.W.¼ of 26-46-23- West of the 4th M., but endorsed the N.W.¼ of 26-56-23-. The latter of which it would appear is the correct description of the land intended to be granted, as the corresponding land in township 46 stands in the name of the H.B.Co. I would, therefore, be obliged by your replacing this with patent for the correct land, as I have cancelled the registration of this patent and withdrawn the duplicate certificates issued thereunder.

I have the honor to be,
Sir,
Your obedient servant,

Now THEREFORE by virtue of the powers and duties conferred upon and vested in me by Section 92 of the Dominion Lands Act, I do hereby direct the said patent to be cancelled and a correct one to be issued in its stead, which correct patent shall relate back to the date of such cancelled patent.

Feb. 8th., 1902.

Mr J. P. Sutherland,
Dominion Lands Agent.

Dear Sir:-

I would like to know if my father would be allowed six months absence from his homestead after going into residence before the 1st of May for one month his claim is four last quarter of Section Fourteen, Township Eight, four XXX west of Fourth Meridian. He has been trying to sell one of our farms in Ont. and is rather afraid he will not sell it this spring before navigation closes and it would be very necessary for him to go back East again to continue to try and sell one of our farms sold before settling here permanently. I have been informed settler can get on his homestead in the last year of the three years as regards cultivation patent. Kindly inform me if he would be allowed six months absence after going into residence for one month this spring correctly before 1st May next and oblige,

Yours faithfully,
(Sd.) Edwin T. Pearson.

Mr. Goodeve,

With reference to the letter hereunder of the 19th ultimo, from the Agent of Dominion Lands at Calgary, I beg to say that Mr. Arthur Collyns has made application for a lease for grazing purposes, including South east quarter of Section 32, Township 16, Range 1, West of the 5th Meridian, but the lease in his favor is not yet issued. If a lease is issued, it will remain subject to the right of homestead entry. If, however, it is decided that Mr. Riddle is to be permitted to hold this quarter Section, it would be impossible to exclude it from the lease, and if such a decision is reached in this case, it would be as well for you to send your file to this Branch to note the action.

Sir,

(Your Ref. 43980 . 29223.)

With reference to your letter of the 19th November last, saying that Arthur Collyns of High River had forwarded the sum of $3.20 . in payment of the grazing rental of a ranch in which the SE¼ 32-16-1 W. 5th M. is situated; I beg to say that if John S. Riddle . who claims to have squatted upon the quarter section in question, makes the usual declaration to that effect before the Surveyor who makes the survey . he will of course be entitled to entry. I, therefore think it unadvisable to include in the proposed grazing lease to Mr. Collyns , this quarter section.

Sir:-

Referring to the homestead entry granted me on the 1st ultimo covering the N. E. ¼ of 15 - 30 - 3, West of the 5th, I beg to inform you that it has been discovered that the land was not available at the time entry thereof was granted to me. There being (on the 1st ult. last). There were a number of other applications on file at the same time, and, I am told, the clerk who took Mr. Berry's application omitted to note the entry in the books; hence the mistake. Your entry fee will be transmitted to any available point also for me, selected, unless, of course, Mr. Berry can be allowed to remain. This Office regrets very much any inconvenience to which this error may put you.

Sir:-

Replying to your communication of the 29th ultimo, File 059413, I regret very much that John William R. Muir was granted entry for the N. E. 1/4 of 12 - 30 - 3, West of the 5th., entry having already been granted to Thomas Murray on the 9th of May last; and attribute the mistake mainly to lack of assistance during the busy season, especially, the work being so heavy that it was impossible to keep abreast of it, saying nothing about proper and systematic checking of it, notwithstanding a great deal of over time was put in.

Mr. Muir was written to on the 4th. instant, and I enclose his reply. I am writing him again to-day not to take possession (See copy of letter enclosed). I do not think Mr. Muir has made any improvements as he only left Calgary for Carstairs a few days ago.

2 enc.

There is this feature to be considered: Mr. Murray's six months will expire on the 9th instant, and, as he has evidently placed no improvements upon the land, put in no residence, nor asked for an extension of time, his entry might be cancelled.

Sir,

I beg to acknowledge the receipt of your letter of the 16th instant, and in reply am to say that a settler is required to live upon his homestead in a habitable house and make it his home, besides doing the cultivation duties, for at least six months in each of three years. If the land is not suitable for grain growing, he may substitute twenty head of stock with the necessary shelter for their accommodation. I may say that the residence duties are considered as perhaps the most important of all, and you will have to comply with the law in this respect if you desire to obtain a patent for your land.

Enc. Enclosed, herewith, is a printed memorandum which sets forth fully all the homestead provisions of the Dominion Lands Act and the amendments thereto, and the Department has no power to alter them in any way.

COMMISSIONER SEP. 13 1932 DOMINION LANDS

Sir:

Re: N.E.¼ 34-36-2 W. 5th Meridian.

In examining Flat No. 34172, File No. 559993, Grant No. 20564, in favour of John John Strong, I find that the land covered by the patent is described as follows:

"All that portion of the North East quarter of Section Thirty-four of the said Township, not covered by any of the waters of Medicine River, as shown on a map or plan of survey of the said township, signed at Ottawa on the 24th day of July A.D. 1896, by Edouard Deville, Surveyor General of Dominion Lands and f[illegible]ord in the Department of the Interior, containing by admeasurement One Hundred and Fifty-seven (157) acres, more or less."

Would you be kind enough to examine your records and let me know if the intention was to patent in addition the 0.06 of an acre, more or less, lying to the East of the river in the North East Quarter of this Quarter Section, or only specifically 157 acres, more or less, lying to the West of the river as indicated by the acreage.

Your kind attention will be appreciated.

Yours very truly,

J. HARVIE.

Dear Sir;- re Sect.24,Tp.25,Range 2 West 5th.

We write you in the interest of Mr.Carl Schulz of Calgary with respec t to his application to purchase the above section of land. Mr.Schulz is investing large sums of money on the neighborhood of Calgary in his ranching industry and is negotiating with American Capitalists for the establishment of a large packing house and is an xious to secure a suitable location and sufficient land for the establishment of his industry. As you will see from the facts detailed in the accompanying declaration our client has a lease of the above lands and sent by post to the local Agent here an application to purchase them. This was done on the 9th September last. On the third and fourth of October certain persons named Williams, a father and three sons, made homestead entries for the four quarters and although our client has made large expenditures on the land he is now threatened with the loss of both the land and the improvements. We d o not need to repeat the facts set forth in the declaration. We desire simply to say,we believe they are such as not only would justify the Department in cancelling the homestead entries but s uch as make it only right and equitable that Mr.Schulz

McCarthy & Shand
Barristers, Edmonton, Alberta
Telephone

Calgary, [illegible]

Hon.C.S. #2#

be allowed to purchase the lands im question. It certainly must strike you as peculiar that the homesteaders,who are old and well known resid ents here,should suddenly decide to make homestead entries on the land just after they saw Mr.Schulz beginning to make improvements on it. Mr.Schulz thought he was taking every precaution to secure himself in the purchase of the land and in this assurance arranged for the purchase of scrip to apply on it and made the other expenditures referred to. In the circumstances we are confident that you will recognize that Mr.Schulz is entitled to far more consideration that the homesteaders who knowingly allowed him to incur expense on this land. It was,if not their legal,their moral,duty to tell him of their entries and to save him further loss.

We might perhaps also not irrelevantly refer to our clients unfortunate experience in connection with his application to purchase section I4 in the same township,which was refused by you in your letter to him of 7th October Instant. We cannot question the justice of the principle of your decision in that case but we think it will support Mr.Schulz very strongly in the present instance. He,being a leaseholder should certainly be given the first chance if the lands are to be sold or homesteaded and it is only

Hon.C.S. #3#

because of the accidental miscarriage of his letter of Sept.9th that his desire to purchase was not known to the Land Officials here Mr.Williams certainly cannot complain if his entry is cancelled because he knew of Mr.Schulz improvements and yet said nothing about his intention to homestead.

We therefore feel confident that you will see that Mr.Schulz has strong claims upon the consideration of the Department in this matter and will not discourage his enterprise by another adverse decision.

Yours truly.

I THE MATTER OF

Section 24 Township 25 Range 2 West of 5th.

.Carl Schultz of the neighborhood of Calgary in the District of lberta,Ran cher.do solemnly declare;-

That on or about the Ist day of March A.D.I90I I received from Government of Canada a lease of the above described section of d.

That on the 9th day of September I90I I went to the Office of gent of Dominion Lands at Calgary for the purpose of making lication to purchase the said lands.but I found the office it being shortly after four o'clock.which I am informed of closing

at as I live five or six miles from Cal[illegible] nt for me [illegible] return the next [illegible] the Post [illegible] at Calgary a letter [illegible] of Dominion [illegible] at Calgary.a true copy annexed and marked exhibit 'A' hereto enclosed in an envelop[illegible] merly addressed t as such agent and with posta[illegible] paid.

ring upon the fact I had a lease of the said l in the application to purchase contained in the same time being in doubt as to whether my p to purchase section I4 in the said township would I proceeded to make improvements on the said land of $350. at least in fencing upon the same.

d no immediate reply to the said letter but did trice to enquire about the matterbecause I knew time for the matter to be referred to the a definite reply given.

6. That I always supposed my application to purchase would be at any rate considered and disposed of before any other deposition would be ma de of this land.

7. That on the 18th day of October Instant I learned by an accidental conversation with a neighbor that some parties had made homestead entries upon the said lands.

8. That on the 19th October Instant I went to the Agent of the Dominion La nds to enquire about the matter and found that the above information was true, and I was then for the first time informed that my said letter had never been received at the said Office and that therefore, homestead entries had been allowed to be made upon the said lands on the 3rd and 4th October Instant by one Williams an d his three sons.

9. That I am well acquainted with the said Williams and his sons, and I know that he or his sons have been passing my ranche and the lands a bove described on which I have a lease, continually during the pas t six weeks being engaged in drawing hay. That I have frequently met the said Williams or one or other of his sons on the trail g oing past my said lease, ~~very often~~, both before the said 3rd and 4th days of October and since that time. That the said Williams himself told me that when he went to look at the land he saw the improvements I was making on the said lands and I am positive that he mus t have been aware that it was myself who was making them; that he never at any time said anything to me about his intention to apply for a homestead entry on the said lands either before or a fter the said 3rd and 4th days of October; that I made most of the improvements on the said lands since the said 3rd and 4th days of October and the said Williams allowed me to go on making the said improvements and spending my money without saying anything to me about his or his sons' homestead entries. That the said

That the said Williams have since told me that the reason why he did not tell me of the homestead entries made by himself and sons was that he supposed that it was the duty of the Agent of Dominion Lands to do so and yet he told other neighbors of these entries because it was from them that I first heard of them.

IO. That the said Williams and his sons are old residents in Calgary and neighborhood, being engaged in the milk business in Calgary and they must therefore have been well acquainted with the said lands long before I secured my lease and made my application to purchase them.

And I make this solemn declaration conscientiously beleiving the same to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act 1893.

Declared before me at the City of Calgary in the District of Alberta, this 21st day of October A.D.1901.

Agent Dominion Lands.

Dear Sir;-

Referring to our conversation this afternoon concerning the advisability of fencing leased land I have come to the conclusion that it would be very risky and therefore inasmuch as I have not yet received any reply to my appeal to the Minister of the Interior regarding section 14-25-2,I herewith make formal application for the purchase of section 24-25-2 the same section I now hold a lease on. If it should be necessary to showagain that I am a bona fide settler please let me know and I shall call at your office immediately to fill out the necessary blank.

I think this time I am without dispute entitled to the privilage of buying some land of the Government and holding the section under a lease I shall commence fencing at once as I actually think I run norisk this time,even should Mr.Riley desire to buy this section. Should the Minister decide in my favor as to 14-25-2 I suppose there would be a way open to even then buy 24-25-2.At any rate, I think this is the safe step.

Very respectfully yours.

- Re Patent Advice No. 15-

Referring to your letter of the 9th July last, your file No. 560776, enclosing a list of Letters Patent in favour of the Calgary and Edmonton Land Company which have been forwarded to the Registrar at Calgary, Item No. 4 of this list covers Part of the W.½.-17-2-30-W.4th, 312.84 acres, whereas the Township Plat gives the area as 320 acres.

Kindly advise the cause of discrepancy.

Sec. 31-8-24 . 4th M.

Kindly note that the above described lands are included in the list of lands to be offered for sale at Lethbridge on the 19th November next.

These Lands were gazetted as School Lands in July, 1889, as per Gazette Notice, marked, on file 29156'1, herewith.

According to the Land Patents records, the whole of this section was patented to the Calgary and Edmonton Land Company on the 20th November, 1901, with the exception of 24.70 acres, patented to the Canadian Pacific Railway Company on the 5th December, 1899. Files 535218 M.O. and 660256 M.O., herewith.

The Agent of Dominion Lands, Lethbridge, also reports this land as patented to the Calgary and Edmonton Land Company.

Would you, therefore, be good enough to advise me if these parcels should be withdrawn from the Sales List and other Lands gazetted as School Lands in lieu thereof.

Re N.E.¼ 31--8--24 W.4th Mer. and
E.½ of L.S.-11 and all L.S. 14 of
Sec. 31--8--24 W.4th Mer.

In preparing our list of School lands to be offered for sale at Lethbridge last Fall, we found that the above mentioned land had been gazetted as School lands in July 1889.

When making a check, however, with the Land Patents Branch it was ascertained that the whole of this Section was patented to the Calgary and Edmonton Land Company on the 20th November, 1901, with the exception of 24.70 acres patented to the Canadian Pacific Railway Company on the 5th December, 1899.

The Agent of Dominion Lands at Lethbridge when, reporting on this land, also showed that by his records the lands had been patented to The Calgary and Edmonton Land Company.

The lands were sold, of course, subsequent to the date they were set aside as School lands, and I presume the error must have occurred in the neglect to advise the Land Patents Branch of the setting aside of the lands as School lands in 1889.

In view of the representations I instructed that the lands be withdrawn from sale at Lethbridge last Fall and the matter submitted later for consideration.

It has now again been brought up and in view of the fact that the Section has been patented and, therefore, has passed beyond the control of the Department, it seems to me that the only way to now settle the matter would be to relinquish the portion of the Section set aside as School lands in 1889 and to select and gazette as School lands an area sufficient to reimburse the School Lands Endowment for the relinquishment of the said lands.

I, therefore, submit the matter for your consideration and advice as to what action you desire taken.

Acting Commissioner of Dominion Lands,

Would you kindly advise me of the areas comprised in the above mentioned land which were set aside as School lands in 1899 and afterwards sold to The Calgary and Edmonton Land Company, in order that arrangements may be made to select from available Dominion lands an area sufficient to reimburse the School Lands Endowment Fund for the relinquishment of said lands.

Re N.E.¼ 31--8--24 W.4th Mer. and
E.½ of L.S. 11 and all of L.S. 14
of Sec. 31--8--24 W.4th Mer.

In July 1889 the above mentioned lands were apparently gazetted as School lands in lieu of certain School lands relinquished at that time.

It further appears from a check of the records in the Land Patents Branch and the Lethbridge Agency that these lands were sold and patented to The Calgary and Edmonton Land Company on the 20th November, 1901. The error apparently occurred owing to the fact that the gazetting of the lands as School lands was not recorded in the Land Patents Branch records nor the Agency records.

As the lands have now been sold and patented, it will be necessary to make another selection from available Dominion lands of an area sufficient to re-imburse the School Lands Endowment Fund for the relinquishment of said lands, and I would, therefore, request that you take the matter up with the Agent of Dominion Lands at Lethbridge and request him to have an inspector make a selection from available Dominion lands of an area sufficient to compensate the School Lands Endowment for the relinquishment of these lands.

The area comprised in the lands referred to above is 320 acres.

N.½ of L.S.D. 11 and all of L.S.D.
14 of Section 31--8--24-W.4th M.

In July, 1889, the land above described was apparently gazetted as School Land in lieu of certain School Land relinquished from the Endowment.

It was subsequently ascertained that this land had been sold and patented to the Calgary and Edmonton Land Company and that the land was therefore not available for the Endowment.

It is now necessary to secure for the Endowment available Dominion Land of equal value to that above mentioned.

Please issue the necessary instructions to the Inspector to whom you give the work pointing out that the land selected must be in the Province of Alberta; that it must be of equal value to the land above mentioned and also that it is not considered in the best interest of settlement to select more than two full sections on School Land account in any one township.

In order to be in a position to select land of equal value it will be necessary for the Inspector to visit the land above described and furnish a report and valuation thereon for the information of the Department. He will then be in a position to select other land of equal value and he should furnish a full report on each quarter-section or part of quarter-section selected, stating the value and character, etc.

Upon receipt by you of advice from the Inspector that he has made a selection, the necessary note should be made in your records reserving the land so selected, provided you are aware of no reason to the contrary. You should then forward the Inspector's reports to Head Office with a covering letter indicating what action you have .....

have taken with regard to reserving the land. You should also inform the Sub-Agent for the district in which the selection is made in order that he may make the necessary note in his records.

You should send here copies of any letter of instructions you issue to the Inspector mentioning Head Office Files 660258 and 1354407.

In regard to selections of this nature your attention is directed to a circular letter sent you on the 16th December, 1925.

Please see that this matter is expedited as much as possible.

DOMINION LANDS OFFICE,

Edmonton, Alta., 25th. October 1901.

Sir,

Application for entry has been made by one Harmidas Pelletier for the S.W.¼-6-58-24 W.4 M., upon which, according to a report from Mr. J.K.McLean, there would appear to be considerable scrub poplar. Mr. Pelletier has made a declaration that the timber such as it is is principally scrub- poplar- partly fire killed, an of no merchantable value, and that about three quarters of this quarter section is covered with this scrub. This whole district is more or less timbered, and it would really be an advantage to have it cleared, and sections such as this opend to settlement. Would I be at liberty to grant entry for such land ?.

Your obedient servant,

Acting Agent of Dominion Lands.

Mr. Paterson,

In the Coal Mining Regulations approved by Order in Council dated the 19th. ultimo, no provision is made that before a patent of the mining rights can be issued it is necessary for the purchaser to furnish proof that he has acquired the surface rights. These Regulations will come into force on the 30th. instant.

As the patent for the surface rights permits the purchaser of the coal mining rights to enter upon the land, and use and occupy such portion thereof as may be necessary for the effectual working of the coal, there would appear to be no objection, as soon as the above Regulations come into force, to issue a patent for the coal mining rights without reference to the surface rights.

Sir,

Referring to theCommissioner's telegram of the 26th instant re S.W. 1/4 of Section 24--8--1 W. 5th M., I beg to say that Mr. Percevault was about to be written to and given a chance to make entry for this land when your telegram was received, the prior applicant to homestead this land not having come forward within the 20 days given him. Thereason for not granting entry to Mr. Percevault when he applied was that there was a prior applicant ,and as it is therule of the Department to grant entry to the first applicant this gentleman was not entitled to the land. When his money was refunded he was advised as to this applicant and it is not understood why he should make a complaint. On the 25th of October, 1901, an application was received from Mr. James Smyth, of Cowley, to homestead this quarter-section and in this office reply of the 28th of that month he was notified that his application had been placed on file. A copy of this letter was forwarded to the Department and it is not understood how the land could be available for Mr. Percevault, in view of this. I am not offering this land to the last named gentleman until you are again heard from, as directed. Sir,-

N.E.		12	50	23	West	4th

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

File 672393

Department of the Interior,

Ottawa. 15th January, 1902

Sir,

Replying to your letter of the 6th instant, in which you ask if the proper evidences of title have issued to you for certain lands in the North West Territories of Canada, located under half-breed scrip, I beg to say as follows;-

(1) In the case of Marie Anne Ladrot, and the NW¼ and the N½ of the SW¼ 2-45-16 W. 4th M., it appears that this woman was not of the age of 21 years when she assigned this land to you and consequently the assignment could not be recognized and was therefore returned to Mr. Arthur G. Harrison who forwarded it here. 661891.

(2) In the case of L.A. Gagnon and the SE¼ and the S½ of the NE¼ 2-45-16 W. 4th M., which land she assigned to you, I find that the patent has not yet issued owing to the fact that a discrepancy existed in the application made to the Agent of Dominion Lands, at Edmonton, for this land, in the name of the applicant, it being shown therein as Louise Anne Gagne, while in his report of this entry, to the Department he gives the name as Louisse Anne Gagnon. The Agent was written to on the 15th ultimo and asked for an explanation in the matter, but as yet he has not been heard from and consequently not the, has been done. 650479.

(3) As regards the other three parcels of lands mentioned in your letter to which this is a reply, (650478, 650475 and 650474) patents therefor have issued in your name and will in the course of a day or two be forwarded to the Registrar, at Edmonton, advice of which will be sent to you.

Subject:

Re grant of land

Lewis Arnold

November 6th., 1901.

The Secretary

Department of the Interior,

Ottawa, Ont.

Sir,

Re Half-breed Commission and grant of land scrip to Mathew M. Arnold.

Mr. McKenna, the Half-breed Commissioner, has allowed the claim of this half-breed who is about 16 years old, for land scrip. He and his brother, Samuel Lewis, who is about 18 wish to take up land with their scrip alongside of each other. Their father is dead and their mother is married again and is living in Montana and is said to be rather weak in mind. Mr McKenna, before whom I appeared on their behalf, is in doubt whether the warrant should be delivered to the younger brother, Mathew, without the intervention of the mother or guardian appointed by the Court.

Could it not be arranged that the lad Mathew should be allowed to locate land on his own behalf by Mr. McKenna delivering the warrant to the agent of the District where the half-breed wishes to locate his land? He wishes to locate land for his own use, and it seems to that this being the primary object for which the half-breeds are granted land scrip, the

002150

Department might help on this object if possible.

I shall be obliged by an answer at your earliest convenience so that when Mr. McKenna returns from Edmonton, where he has now gone, to Calgary the matter of the entry of the younger boy could be arranged.

Dict. J.P.B.B. Yours truly,

Sir,

In reply to your letter of the 1st inst, I am directed to say that Matthew Harwood Arnold, son of Benjamin Arnold and Jane Livingstone, whose claim was [illegible] Commissioner McKenna, is now over 18 years of age and, for 40 acres of land at $40, in his opinion, will be able to file address [illegible] and give satisfactory proof of [illegible] and over the [illegible] signatures. THE DEPUTY MINISTER OF THE INTERIOR

Dear Sir,

8th May, 1950.

The copy of the duplicate certificate of title issued in favour of the North West Cattle Company Limited made specific mention of the reservation unto His Majesty, His successors and assigns of all mines and minerals and the right to work the same.

When the certificate was received by Messrs. Fuller, Howard and Denton it was returned under cover of the letter of the 10th January, 1902, to the writers, and so far as we are aware no objection has been taken at any time since the issue of the grant by the North West Cattle Company Limited to the form of title.

Mr. W. H. Muir, Esq., informs us that his clients have had no communication or protest from the North West Cattle Company as to the form of grant and there was never a caveat on our title to exclude from the North West Cattle Company Limited notwithstanding having received the duplicate certificate of title.

There are a number of personal cases and it would be an excellent if you could advise further, under the circumstances, the agreement could be rectified in accordance with the issue of patent for the mines and minerals underlying these lands in favour of the mines and Western Cattle Company.

Yours very truly,

Enclosure.

Memorandum:

Mr. Daly.

The Calgary and Edmonton Railway Company and its assignee the Calgary and Edmonton Land Company, from time to time sold lands where an agreement of sale was drawn up but not executed as the purchaser preferred to make it a cash transaction.

This class of case was submitted by the letter of the 5th instant to the Department of Justice to determine whether the Department would be justified in the issue of the patent for the mines and minerals underlying these lands to the Calgary and Edmonton Railway Company.

The opinion expressed in the letter hereunder is favourable to the Railway Company and it would seem that the Department should insist upon the Company filing with us the receipt from the purchaser acknowledging having received the Certificate of Title for the land bought by him and where there has been doubt as to the ownership of the minerals.

Sir,

In reply to your letter of the 4th instant, File 52053, I am to inform you that according to the records of the Department, the N.W.¼ of 24, 49, 19, West 4th M., was homesteaded by Mr. Ole A. Bakken on the 26th of August, 1895, the entry being reported in the Beaver Lake Office Return for the period ending on the 31st of that month. This homesteader would seem to be an entirely different person from the entrant of the same name who has been granted a patent for the S.W.¼ of 2, 47, 20, West 4th M.

It would seem to be possible from recent correspondence, that the transactions of the Beaver Lake office may not have been properly transferred to the books of your office and it may be well for you to have the matter looked into.

Sir,-

I beg to acknowledge the receipt of your letter of the 7th inst., and to say that in view of the fact that the homestead entry of your son, Mark T.Green has already been protested, a further extension cannot be granted him in connection with the North West Land-Scrip Act, especially as there is a large and increasing demand for land by genuine settlers. You should communicate with [illegible] at once, so that it is necessary he should go into occupation of his homestead without further delay. In order that his entry may not be cancelled without his actual due, the Agent will be instructed to refer the papers here should anyone make application for the cancellation of the land with a view to acquiring it himself.

I beg to acknowledge the receiptof your letter of the 16th ultimo, and to say that your son, Ezra T. Green cannot be protected in his entry for the North West ¼-34-1-25-W. 4th M. for an indefinite period but as there is no application for cancellation at present pending, the Department will not take steps in this direction and he will be allowed a reasonable time to submit proof of being in occupation of his land. I may add that there is no desire to deprive a bona fide settler of his entry but at the same time in the interests of settlement, it is impossible to hold land for a homesteader who is in default in the performance of his duties.

Memorandum.

Mr. Marten Steen writes stating that the Evangelical Lutheran Church Society has formed a Society at Bittern Lake under the name of The Skandia Congregation; and that the Congregation now desire to obtain forty acres of the N. E. quarter of 2--48--21, W. 4th, for a Church site and other congregational purposes.

Two acres of the West half of this quarter-section have been patented to the Skandia Cemetery Company for cemetery purposes, and the road allowance fifty links in width on the south and west boundaries of the quarter-section, leading to and from the said two acres, has been reserved for the use of The Thordenskjold School District; and the East half of the quarter-section, less such road allowance, has been patented as a North-West Half-breed grant. The balance of the West half of the quarter-section is vacant in the records of the Department; but, if the Congregation were given the South half thereof, the remaining legal subdivision would be practically useless, as there would be no access thereto; and if, on the other hand, they were granted the North half, it would be valueless to them for the same reason. A way out of the difficulty might be to give them forty acres as a free grant for [illegible] purposes, and permit them to purchase the remainder at the current rate, less, of course, the two acre cemetery lot and the road allowance.

A tracing showing the land mentioned is hereunder/

Sir,

Replying to your letter without date received here on the 14th ultimo, respecting the grant of 40 acres in the N.W.¼ 3—48--21 W. 4th M., I am directed to say that the E.½ of the quarter section has already been disposed of, but that in the W.½ of the quarter section there is a grant of two acres about the centre of the western boundary made for cemetery purposes. There is also a road allowance of fifty links in width on the western and southern boundaries of the quarter section leading to and from the said two acres. The balance of the W.½ of the quarter section is vacant but if the Skandia congregation were given the S.½ the remaining legal subdivision would be practically useless as there would be no access thereto, and if, on the other hand, they were granted the N.½ it would be valueless to them for the same reason. It is suggested however, that the congregation may be willing, provided a grant of 40 acres of the W.½ of the quarter section were made to them on the conditions now appertaining to mission grants and which are set out in the enclosed draft circular letter, to purchase the remainder of the W.½ of the quarter section at the regulation price of $3 per acre and on the usual terms.

With further reference to your letter of the 18th ultimo and to the Departmental reply of the 8th instant, I am directed to say that the Agent of Dominion Lands at Edmonton has now reported that L.S. 10 and 15 of 2--48--21 W. 4th M., is vacant in his records, with the exception of 2 sections which were patented to the Scandia Cemetery Company on the 29th April, 1901, thus leaving 78 acres available, which has been reserved for the Evangelical Lutheran Church Society. On the Society complying with the terms of the circular letter sent to you on the 28th December last, steps can be taken to issue a patent for the land. The area of the remainder of L.S. 15 is 39 acres and the area of the remainder of L.S. 10 is 37.12 acres The amount to be paid for the remainder of L.S. 15 will, therefore, be $117.00.

Sir,

Replying to your letter of the 20th of August last, Ref. 21543, I am directed to say that according to the Departmental letter of the 27th of May last to Mr. Martin Stern, the area of the remainder of L... 15 at 2--48--21 W. 4th M., is to be patented as a mission grant to the Evangelical Lutheran Church Society, who have formed a congregation at Ittern Lake called the Candia Congregation, is 17.15 acres, and that the remainder of L... 15 in the same section to be sold to the said Society is 30 acres; that the patent fee of $15.00 has been paid and $20.00 as the first instalment upon the sale. The declaration executed by the trustees is satisfactory, but as you are aware the regulations of the Department require the sanction of the governing body of the Church in Canada and also proof as to the erection of the Church before the patent is issued. Will you be good enough to endeavour to ascertain whether the above Church has been incorporated in Canada, the date of the act of incorporation, &c., and also whether the Lutheran Church is the same as the Evangelical Lutheran Church Society, and whether the several local Lutheran Churches in Alberta are under one head of the Lutheran Church.

I write you kindly please my memorandum of 19 December 1901, approved by the late Commissioner.

On the 7 instant we wrote Mr Stein, Secretary, sending a copy thereof to Reverend A. E. Stanson. The former has not replied, but the latter writes that on the ground of the sale of the Church being out of the way, half the Congregation – including some of the Trustees – have severed their connection, and Mr Stanson recommends, in such as to half of the Congregation, that the grant be Cancelled. The account of the portion sold is:

Pt L.S. 15 in 83 . . . . . 117. 00

Paid account principal 86 80

Balance with interest from 13 May 1905 $ 30 20

The balance of the west of the quarter Section (L.S. 10) was granted to the Church, and patent fee has been paid. If the Department were to Cancel

the grant of £5 10 and refund the fee, the portion sold to the Congregation would be Valueless; unless, of course, it were decided to reserve a road allowance of 30 links in width along the North boundary of the NE/4 - from north west corner to the north east corner thereof, which would then give them an outlet to the Eastern boundary of the section.

Sir:—

I beg to inform you that I was elected secretary of the Scandinavian Lutheran Church of Bitter Lake in January last in the place of Rev. [illegible] Stein. A few days ago I saw a letter to Mr Stein from the Department asking for information as to the progress of the erection of a church building on L.S. 10 of 2-48-21-W-4th. Your letter was dated Feb. 7-1905 but I did not think of taking down the number of the file No. from the Dominion Lands Office at Edmonton is 24543, but I do not know if [illegible]

A few words in explanation is necessary. On account of

disagreeing as to the best build-
ing site for a church in the con-
gregation which were divided
for a long time in consequence
to build. The result of the contro-
versy was that about ½ of the
members left us and we were
then free to commence work.
We laid the foundation (stone
about 3 ft high in front) in Oct 1904
but we could not start work on
the building because we had not
have more than about half of the
lumber needed, thinking that we
would be able to get more logs out
on our Permit last winter. That
is the reason why we could not
build last year. Our building will be 28×36
ft × 14 ft to eaves with a

let and the work is to be completed
before Aug 1st 1905. The building

is to be heated by furnace fixed in the basement.

The names of the present Trustees are; Wm. Christ Lyons, Henry Stevenson and Thos. D. Evans. [illegible] except the last named who is absent, [illegible]

The congregation was not incorporated at the time, it was thought of being done because Mr. Brown full of clerical ^ from advised the Trustees to wait awhile until a new law should be passed making it easier to incorporate. But the incorporation will be done as soon as the trustees can get time to [illegible] and [illegible]. These are the facts as I know them and I believe them to be wholly true. Of course more could be written but I thought this would suffice at present

I am asked to write you and ask you to be lenient with us because of our failure to comply with the requirements of the law.

The present trustees, as given by Mr Grue, are: -

Thos J. Grue Flour Dumba Mill

Mr Hanson states that no meeting, as far as Records, has been called; but Mr Grue says the contrary. Mr Hanson advises Cancellation of the grant, but I don't see how we can do that if the Church is particularly quiet.

What about the portion (Some Sale 5714) sold to the Scandia Evangelical Church. There is really no such body, & patent will have to go to Trustees individually. The Trustees are changed - in fact Mr Sleen says the

Memorandum:-

The Department has granted, but not aptented, Legal Subdivision 10, Section 2, Township 48, Range 21, West Fourth Meridian, to the Scandia Evangelical Lutheran Church Society at Bittern Lake.

Mr. C.S.Grue, the present Secretary, writes that the trustees have conferred with Mr. Rosenroll, M.L.A. as to incorporation; that he advised them to wait until they had heard from the Department, and they ask for advice.

Mr. Grue states that " the Scandia Evangelical Lutheran Church of Bittern Lake is understood in the Norwegian language to mean a "Free Congregation;" that it is not connected with any church organization incorporated under the laws of Canada; that they want to be able to hold property in trust.

" I presume all they have to do is to make application to the Legislature. Is this an expensive and long process? I suppose it would have to be embodied, during a session, in the North West Territories ordinances, the same as in the case of the Russo-Greek Orthodox Catholic Church.

" If the granting of the Letters would take some time, would it not be better to tell him that, in the mean while, so soon as all the conditions have been fulfilled, the patent can be issued in the names of the trustees, but explain to him as to the non-recognition by the Legislature, of a trust, etc.?

Sir,

With reference to your letter of the 22nd ultimo, in the matter of Legal Subdivision 10, Section 2, Township 48, Range 21, West Fourth Meridian, which it is proposed to grant to the Scandia Evangelical Lutheran Church Society at Bittern Lake for church purposes; I beg to say that, as regards your obtaining incorporation, you should make application therefor to the Government of the North West Territories at Regina. The Letters of Incorporation would have to be obtained from the Government, it is thought, while the Legislative Body are in session. This possibly might cause some delay. The patent for the land in question can, in the mean time, be issued in the name of certain trustees to be elected by your church; but of course such action could only be taken after all the conditions had been fulfilled. On the 7th instant we wrote to you to the effect that the Homestead Inspector would visit the land this summer and if he should report favourably as to the erection of a church, steps can then be taken to issue the patent.

I may add that where a patent is issued for lands in the Territories to trustees, the Registrar of Land Titles, to whom the patent would have to be forwarded, has no power under the Land Titles' Act to recognize such trustees except in their individual capacity as absolute owners of the land. 2 Letters

Sir,

Referring to previous correspondence ending with your letter of, No. 24543, and respecting the Homestead Inspector's report of 16th September last, upon (said Subdivision 10, of section 2, township 49, range 21, west 4th meridian, on which a frame church had been erected by the Bethania Evangelical Lutheran Church Society at Bittern Lake, it is observed that the Inspector values the building at $3000.00.

Some time ago the Rev. A. E. Hanson wrote from Peterson, Minnesota, U.S.A., having been formerly the Minister at Bittern Lake, to the effect that nearly half the members of the congregation did not want the church placed upon the land in question. He added that up to the time of his leaving Alberta in 1924, no action had been taken towards the building of the church.

Please ask the Inspector whether he is aware of there being a division in the congregation. Are they unanimous in the selection of the site?

MEMORANDUM:-

Mr. [illegible],-

Re your memorandum of the 11th instant, hereunder, - The Evangelical Lutheran Church Society applied for a grant of 4[illegible] acres in the [illegible] of Section 8, Township 48, Range 21, West 4th Meridian.

The [illegible] of the [illegible] was patented under [illegible] West Half-Breed Scrip, leaving Local Subdivisions 10 and 15. 2 acres of the latter have been patented to the Standia Cemetery Company, and a road allowance [illegible] chains in width reserved on the south and west boundaries of the quarter section. As you will see from the sketch on file (marked [illegible]), if the remainder of Local Subdivision 10 were granted to the Church, the balance of Local Subdivision 15 would be useless, and it was decided therefore, to grant Local Subdivision 10 to the Church, and to sell them Local Subdivision 15.

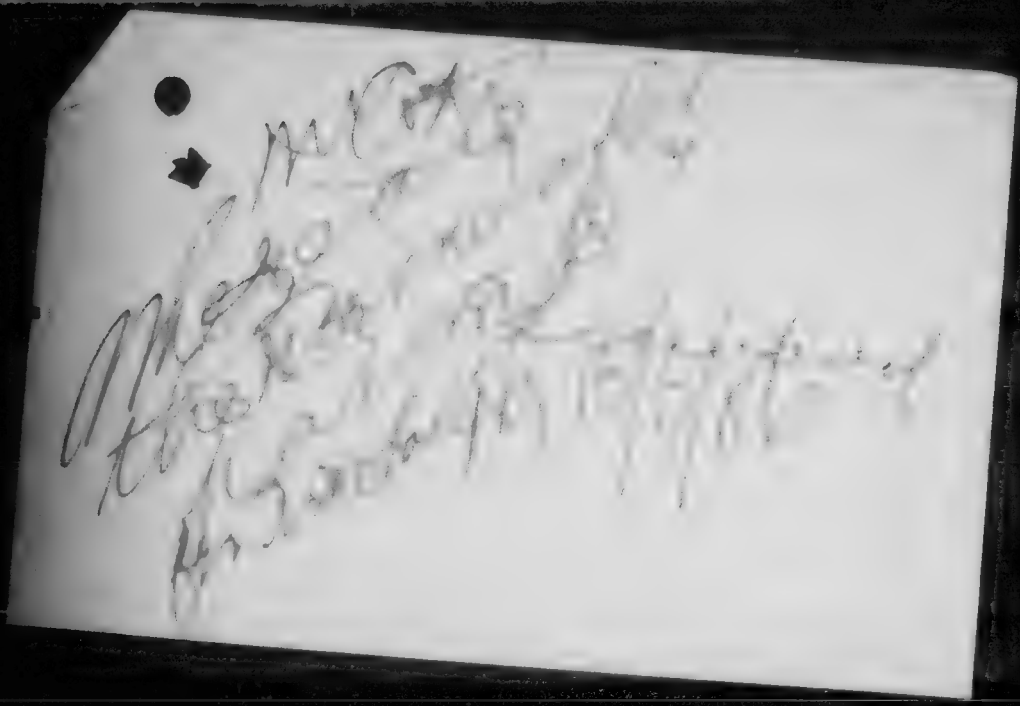

So far as I know this Church has not been incorporated in Canada, and the patent for the Church Grant is being issued in the names of the trustees, and Mr. [illegible]'s memorandum of the 10th instant, and I do not see what other course could be followed in regard to the sale.

Reverend Sir,

In reply to your letter of the 13th ultimo, I am directed to say that it would not be possible to sell legal subdivision 10, of section 2, township 41, range 21, west 4th meridian, to your congregation in the event of the same being revested in the Crown, as no Government land is open for sale under the regulations, excepting small fractional parcels of land which may be sold to the homesteaders or owners of adjoining lands. No grant of land which is made for church purposes may exceed 10 acres, and such grant must be made subject to the land being used for church purposes only.

If the said legal subdivision 10, as the Reverend Mr. Fruyen was advised by letter of the 20th October, 1909, is not being used for church purposes, it should be revested in the Crown in order that other disposal of the land may be made by the Department.

Mr. N. O. Coté,

re L.S.10 of 2, 42, 21, W.4.

A patent was issued on the 15th Feb.,1908, to the Trustees of the Scandia Evangelical Lutheran Church at Bittern Lake for the above L.S., reserving thereout 0.88 acre for a road, and one acre already patented, on the 29th May,1901, together with one acre of L.S. 15 of the same Section, to the Scandia Cemetery Company.

The Trustees of the same congregation had previously been allowed to purchase the balance of the said L.S. 15, (39 acres), which was patented to them on the 6th July,1906.

It appears from a letter written to the Department on the 13th May last by C.S. Grue, one of the Trustees, that a couple of years ago, dissentions among members of the congregation led them to a separation, one half moving the church to L.S. 15, and abandoning to the other half all claim to L.S. 10. Mr Grue asked if, in the case of this land being surrendered to the Crown, it would be sold to the latter half, which remained "The Evangelical Lutheran Church of Bittern Lake". The reply was that no portion of L.S. 10 could be sold and if the land was not used for the purposes for which it had been granted, it should be revested in the Crown for other disposal.

In a report dated the 16th ult., regarding the cemetery site, the Homestead Inspector says:" I am informed "that the minority members of this Church are thinking of "building another church on L.S.10, referred to". If such be the case, I would suggest that these people be given a reasonable time, say one year, within which to erect another church.

A railroad has been built through from Camrose to Edmonton within a mile from the N.E. corner of said L.S. 10 and a siding has been built; an elevator and a station building. Now it transpires that there is no public road touching said L.S.'s 6 and 7 in 10 and 11 and 15. Under the circumstances existing here it is impossible to keep an open road on to the [illegible] especially in wet [illegible] season for church gatherings on that account to say nothing of the great inconvenience for those living north and west it is compelled to make their circuitous routes to get to their place of worship. Hence, on it. annual meeting held Feb. 7, 1916 it was decided by the congregation to petition the Department for a right to move the church building from said L.S. 10 to the above named Siding, Armena, named, or permission to sell said L.S. 10 and L.S. 15 outright [illegible] build a new church for the money so obtained at the afore said Armena Siding.

Gentlemen :-

Re L. S. 10 of 2-48-21 W. 4.

The above parcel of land was acquired by the Scandia Evangelical Lutheran Free Church of Bittern Lake under the provisions of the free grant of 40 acres to religious congregations. A church has been built upon this land by the congregation concerned and has been used for church purposes. There is no public road into this property except a special government grant for a road between L.S 8 & 9, 7 & 10 and 10 & 11. It is difficult enough to keep public roads passable in this country, but it is practically impossible to keep such a road as this in shape. Further, this road has been fenced up by parties having the land through which this passes.

A new railroad has been built from Camrose to Edmonton and a station located on the same about a mile from this land. A little settlement is growing up around the station and Post Office and it is the logical place and centre for the community of people attending this church.

We are desirous of moving the church to this town of Armena and improving it and are writing you to ask your permission to do this and to sell the said 40 acres of land, the entire proceeds therefrom to be devoted to the improvement and equipment of the

church in this new town of Armena. It would much facilitate the work of the church if this were granted, and every dollar received from the sale will be devoted to church purposes.

We know of several instances where this has been granted and we feel that the circumstances in this case are such as to fully justify your department in giving us this permission.as the original purpose for which the land was granted will be carried out in connection with the project we have in hand.

Yours truly,

Sec. Scandia Evangelical Lutheran

Your letter of December 28th. to T. S. Grue as relating to Legal Subdivision 10 of Section 2, Township 48, Range 21, West of the Fourth Meridian, has been referred to me by Mr. Grue on behalf of the church concerned. I advised the trustees that it would be necessary for them to give an ordinary transfer to the Crown and register the same before you could sell them the land as outlined in the letter. The trustees, however, were of the opinion that it might be done by simply returning to you their Duplicate Certificate of Title accompanied by the money consideration. At their request I am writing you for further instructions in the matter.

Kindly advise me just what procedure will be necessary.

Sir:-

I have the honour to enclose herewith a statutory declaration furnished this Office by Mrs. Salome J. West in connection with an application to homestead the S. W. 1/4 of 24 - 31 - 3 West of the 5th., in which application the applicant states that she is a widow with two children, a son 26 years of age, and a daughter aged nineteen, "of a very weak constitution, and unable to work and support herself," and dependent on the mother for support. Of course, a young woman of 19, would not in ordinary cases be dependent on her mother for support. Be good enough to advise this Office whether corroborative evidence in the form of a certificate from the medical adviser should be obtained in cases of this sort.
